

SWEETLIX 3 – IN – 1 (11421)

Feed Attributes

- Multi-purpose mineral and vitamin block for cattle and horses.
- Superior to trace mineral salt blocks.
- Palatable source of high quality minerals and vitamins.
- Available in easy 40 pound pressed blocks.
- Weather resistant block can be placed directly in pastures with cattle or horses.
- No costly covered feeders or bunks required.

Feeding and Management

1. Feed 1 block per 5 head of cattle or horses. This allows all animals equal access to blocks.
2. Place blocks where animals congregate. Locate blocks throughout pasture, placing them near water and loafing areas. Maintain adequate distance between blocks (10 ft. minimum).
3. Do not allow animals to run out of blocks. When a block is half – consumed, place a new block near it. Place very small pieces in troughs or feed pans.
4. Cattle and horses will consume approximately 5 oz. per day head daily. When cattle and horses consume the block at the recommended rate, it will supply 3 mg of supplement selenium.
5. Blocks can be fed to animals in confinement. Exact location of blocks to obtain desired consumption will vary between confinement feeding programs.
6. Feed as the only FREE CHOICE source of salt, other minerals and vitamins.

CAUTION

Follow feeding directions. Consumption of selenium should not exceed 3 mg per head per day.

Guaranteed Analysis

CALCIUM	(Min)	4.75%
CALCIUM	(Max)	5.25%
PHOSPHORUS	(Min)	4.0%
SALT	(Min)	15.0%
SALT	(Max)	18.0%
POTASSIUM	(Min)	2.0%
MAGNESIUM	(Min)	1.0%
IODINE	(Min)	70 ppm
COPPER	(Min)	40 ppm
SELENIUM	(Min)	21.6 ppm
ZINC	(Min)	600 ppm
VITAMIN A	(Min)	100,000IU/lb
VITAMIN D-3	(Min)	25,000IU/lb
VITAMIN E	(Min)	100 IU/lb

List of Ingredients

Cane Molasses, Soybean Hulls, Dicalcium Phosphate, Calcium Carbonate, Salt, Petrolatum, Potassium Chloride, Defluorinated Phosphate, Potassium Sulfate, Magnesium Sulfate, Magnesium Oxide, Vitamin A Supplement, Vitamin E Supplement, Riboflavin Supplement, d-Calcium Pantothenate, Thiamine Mononitrate, Niacin Supplement, Vitamin B-12 Supplement, Folic Acid, Biotin, Ferrous Sulfate, Zinc Oxide, Zinc Sulfate, Manganous Oxide, Manganese Sulfate, Copper Sulfate, Calcium Iodate, Ethylenediamine Dihydriodide, Cobalt Sulfate, Cobalt Carbonate, Sodium Selenite, Menadione Sodium Bisulfite Complex, Potassium Iodine, Iron Carbonate, Plant Protein Products and Mineral Oil.
