

SWEETLIX MEAT MAKER GOAT BLOCK (11683)

Feed Attributes

- Ideal protein supplement for lactating does and growing kids.
- Delivers high levels of calcium, phosphorus, and magnesium - minerals important for milk production.
- All natural protein sources.
- Delivers protein, energy, salt, minerals and vitamins all in one convenient block.
- Delivers 100% of daily recommended amounts of trace minerals including copper and selenium.
- Fortified with vitamins A, D & E.
- Easy to handle 33.3-lb. pressed protein block.
- Weather-resistant block that retains its palatability under adverse weather conditions.
- Economical protein supplement.

CAUTION

THIS FEED CONTAINS ADDED LEVELS OF COPPER. DO NOT FEED TO SHEEP.

Feeding and Management

Sweetlix® Meat Maker® 20% Pressed Block is a protein/energy supplement scientifically formulated especially for the needs of goats. Feed to goats on pasture, free choice. Sweetlix® Meat Maker® 20% Pressed Block helps goats attain maximum performance by providing protein and energy in conjunction with a complete vitamin and trace mineral supplement, which includes copper. All ingredients are selected for high biological availability and stability to deliver optimal nutrition to your goats.

Mineral Program

1. Feed 1 block per 10 head of goats to allow all animals equal access to blocks.
2. Place blocks where goats congregate, near water and loafing areas. Maintain adequate distance between blocks (minimum 10 feet).
3. Do not allow goats to run out of blocks. When a block is half-consumed, place a new block near it. Place very small pieces in troughs or feeders.
4. While individual consumption may vary according to the nutritional needs of your goats, most adult goats will consume 2-4 oz. per head per day.
