 Crude Fiber, maximum-----2.0%  
 Calcium, minimum-----1.3%  
 Calcium, maximum-----1.8%  
 Phosphorus, minimum-----1.0%  
 Potassium, minimum-----1.8%  
 Cobalt, minimum-----3 ppm  
 Copper, minimum-----300 ppm  
 Iodine, minimum-----15 ppm  
 Manganese, minimum-----1,200 ppm  
 Selenium, minimum-----6.6 ppm  
 Zinc, minimum-----1,200 ppm  
 Vitamin A, minimum-----80,000 IU/lb  
 Vitamin D, minimum-----8,000 IU/lb  
 Vitamin E, minimum-----80 IU/lb

## Ingredients

Cane molasses, processed grain byproduct, urea, dicalcium phosphate, monocalcium phosphate, hydrolyzed vegetable oil, dolomitic limestone, cobalt carbonate, copper chloride, ethylenediamine dihydriodide, manganese sulfate, zinc sulfate, vitamin A acetate, vitamin D-3 supplement, sodium selenite, and vitamin E supplement.

## Feeding Directions

Provide free-choice as a supplement to pasture cattle at the rate of one block for each 15 to 25 head. Place blocks in pasture near areas frequented by livestock, such as watering locations, shade or loafing areas. Cattle normally consume approximately 3/4 pound per head daily. Consumption may vary depending on climate, grazing conditions, condition of livestock and/or availability of other feeds. In situations where climate and/or other factors result in less than 3/4 pound per head daily, intake of supplement can be increased by increasing the number of blocks per pasture.

### Manufactured BY:

New Generation Supplements  
1700 US 50 East  
Silver Springs, NV 89429

**Provide access to fresh water at all times.**

Product No. 1104750      Net Weight: 250 LB (113.4 kg)
