Manufactured BY:

New Generation Supplements
1700 US 50 East
Silver Springs, NV 89429

Ingredients

Cane molasses, dried distiller's grains with solubles, corn gluten meal, dicalcium phosphate, monocalcium phosphate, hydrolyzed vegetable oil, ground limestone, cobalt carbonate, copper chloride, ethylenediamine dihydriodide, manganese sulfate, zinc sulfate, vitamin A acetate, vitamin D-3 supplement, sodium selenite, and vitamin E supplement.

Feeding Directions

Provide free-choice as a supplement to pasture cattle and replacement heifers at the rate of one block for each 15 to 25 head. Place blocks in pasture near areas frequented by livestock, such as watering locations, shade or loafing areas. Cattle normally consume approximately 3/4 pound per head daily. Consumption may vary depending on climate, grazing conditions, condition of livestock and/or availability of other feeds. In situations where climate and/or other factors result in less than 3/4 pound per head daily, intake of supplement can be increased by increasing the number of blocks per pasture.

Provide access to fresh water and free-choice salt at all times.

Product No. 1104240 Net Weight:250 LB (113.4 kg)

CAUTION: Use as directed. Observe cattle and monitor intake daily.
