Manufactured For:

Western Milling
PO Box 1029
Goshen, CA 93227

Ingredients

Cane molasses, plant protein products, processed grain by-products, hydrolyzed vegetable fat, monocalcium phosphate, dicalcium phosphate, dolomitic limestone, magnesium oxide, zinc sulfate, manganese sulfate, copper chloride, ethylenediamine dihydriodide, sodium selenite, cobalt carbonate, vitamin A acetate, vitamin D₃ supplement, vitamin E supplement.

Feeding Directions

Provide free-choice as a supplement to pasture cattle at the rate of one block for each 15 to 25 head. Place blocks in pasture near areas frequented by livestock, such as watering locations, shade or loafing areas. Cattle normally consume approximately 3/4 pound per head daily. Consumption may vary depending on climate, grazing conditions, condition of livestock and/or availability of other feeds. In situations where climate and/or other factors result in less than 1/2 pound per head daily, intake of supplement can be increased by increasing the number of blocks per pasture.

Provide access to fresh water and free-choice salt at all times.

Product No. C90250 Net Weight: 250 LB (113.4 kg)

FD 06/20/14

CAUTION: Use as directed. Observe cattle and monitor intake daily.
WARNING: This product contains high levels of copper. DO NOT FEED TO SHEEP
